Take a guess on that funny site that we have found:
<http://www.sporcle.com/games/chatacronyms.php>. Check out if you know the most important teen chat acronyms and if your a real pro teenchatter. Be prepared to prove you know how to chat. Or take the tour to learn to chat the easy way. 😊

Got a link for teenagers?

As you have obviously noticed this is a teen chat website for (real) teenagers. We have noticed that some of you -although you are a teenager yourself- are running your own websites. Are you running a site for teens as well? So what do you do when you look at your daily visitor stats? Whining? Oh well. If your site is for teenagers you can include it into our [Link Directory For Teens](#). Just scroll to the bottom menu and click [Exchange Links](#). Every submitted link will be checked manually before it is included into our directory so please resist the temptation sending rubbish. If you got a nice teen site and link back to us, we will include it into our directory. If we really like your site and/or it has good PR or whatever, we will consider a featured link which will show up on our frontpage. The topic of your site can be anything that is related to teen struff. Teen music, teen fashion, games for teens, teen chats, teen life, teen support or money for teens or jobs for teenagers. No matter what topic your site is, as long as it is for teens. So what do you have? Maybe you got a really cool music site? Why dont you submit it to our Teen Site Directory?
